PRESS RELEASE

Spettacolo Sportivo Alfa Romeo 2005

The always inventive dutch Alfa Romeo Owners Club (SCARB) organises again the famous Spettacolo Sportivo Alfa Romeo on the track of Circuit Park Zandvoort on 3 & 4 September 2005.

We expect, besides our own thousands of members with their Alfa Romeo's, an overwhelming gathering of foreign Alfisti with their exclusive cars.. Of course the Dutch **Alfa Romeo Challenge** will perform several championship races and next to that we managed to present a historic Monoposto group as well as the german Historic Tour and Grand Turismo group on the starting grid.

A prestigious Concours d' elegance this year with pre-1960 Alfa's also from foreign countries will be part of the program. But also the several registers like the Spiders, 33's, 75's , 155's, Montreals, Junior Zagato's, Giulia and Bertones, Alfa Sud's, Alfetta's and Alfetta GTV's, SZ & RZ, 6C2500/2300B and last but not least the Giulietta's will be present to be admired and to drive their rounds on the circuit. As usual we will organize the race- and safe driving courses given by Hans Deen's Racing School of Champions.

The Circuit and paddocks are open to the public on both days from 09.00 till 18.00 hours. And on those paddocks the visitors can see the preparation of the race teams, to visit the Club Terras or buy nice gadgets at the stands with carparts, collector items or products of the Italian Lifestyle stands.
